The DISCOVERY Committee: What is it and how can it help your research?

Philip L. Graham III, MD, MSc
Associate Professor, Department of Pediatrics
Hospital Epidemiologist
Quality and Patient Safety Officer for Children’s Health
NewYork-Presbyterian Hospital (Morgan Stanley Children’s Hospital of New York)

Jamie R. MacDonald RN, MSN, MBA
Director, Quality Improvement & Informatics
Chair, DISCOVERY Committee at NewYork-Presbyterian Hospital

Join us as Dr. Philip Graham and Jamie MacDonald provide an overview of the DISCOVERY committee, its key functions and how it can assist with clinical and translational research.

Tuesday, December 4, 2012
11:00am – 12:00pm
Irving Institute Educational Center Classroom (PH-10-405A/B)
622 West 168th Street, Floor 10
New York, NY 10032

Because space is limited, RSVPs are required and will be accepted on a first-come first-served basis. Please contact Sophia Li Ferry (ssl2133@mail.cumc.columbia.edu or 212-305-0760) by Friday, November 30, 2012.
