

TRx Drug Development Boot Camp

Intellectual Property, Licensing, and Sponsored Research

Teresa Chen, PhD, JD

Associate General Counsel, Columbia Office of General Counsel

Ron Katz, PhD, MBA

Associate Director of Manhattanville, Columbia Technology Ventures

The Translational Therapeutics (TRx) Drug Development Boot Camp is a 5-part series designed to provide academic investigators with an overview of decision points along the drug development pathway. The second session will include a presentation on patent strategies, managing intellectual property and the value it brings to commercialization. The speakers will also discuss the additional considerations that come with licensing therapies for rare disease indications.

Date: January 30, 2017

Time: 4:00- 5:30pm

Location: Irving Institute (PH10- 405)

Full Address: 622 West 168th street, 10th Floor, New York, NY 10032

Light refreshments will be provided.
